Welcome to the one and only original Red Rock Café and Backdoor BBQ !!

Red Rock Café has been living in this little space and serving very yummy food since 1976.

Did you know that RED ROCK also does catering? We're known for great BBQ meats and side dishes, and our own **Red Rock Backdoor BBQ Sauce™** we created more than 20 years ago!!

Take a look at our BBQ menu, and if you've been thinking about having someone else do the cooking for your next party, give Erin a call at 252-9250 or email:

redrocknapa@gmail.com

Choices include all items on our Backdoor BBQ take-out menu as well as an expanded menu specifically for catering. We do small and large caterings, and arrange for your pick-up or our delivery. We can also send the food out in our thermal containers that will keep your food hot for several hours until you are ready to serve it.

Thanks for choosing the one and only original Red Rock ! We're very proud of our little place and we think it's the best burger, fish and BBQ joint in town !!

ENJOY!!

Erin, Saul, and staff.
